Commissioner for Patents

The Amendment filed on February 14, 2006 is non-compliant because it has failed to meet the requirement of 37 CFR 1.121. In order for the amendment document to be complaint, correction of the following item(s) is required. Only the corrected section of the non-compliant amendment document must be resubmitted (in its entirety), for example the entire "Amendments to the claims" section of applicant's amendment document must be resubmitted.

In the Amendment filed on February 14, 2006, claims 28-29 are amended, however, the amendments made do not correspond with the previous claim set filed September 2, 2005. For example, claim 28 has a strike through for the word "parts", however, the replacement word is not underlined to indicate an amendment was made. In claim 29, the phrase "aminoacid" has a strike through, however, the newly replaced phrase matches the old phrase and the previous claim set had a problem which was objected to in the Office Action. In addition, it is suggested that the claim set remove the following "1-3 cancelled" as it also has "claims 1-27 cancelled". As the non-compliant amendment is a reply to a Non-Final Office Action and since the amendment appears to be a bona fide attempt to be a reply (37 CFR 1.135(c)), applicant is given a TIME PERIOD of ONE MONTH from the mailing of this notice within which to re-submit the corrected section which complies with 37 CFR 1.121 in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD ARE AVAILABLE UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hope A. Robinson whose telephone number is 571-272-0957. The examiner can normally be reached on Monday-Friday from 9:00 a.m. to 6:30 p.m. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kathleen Kerr, can be reached at (571) 272-0931.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
